Legal Support: A narrow escape from exploitation

Rosy (name changed). 14 year old daughter of Shanker Dutta Bhatta, permanent resident of Kanchanpur District, Bhim Dutta municipality ward no. 2 was trafficked to India by a 45 year old woman, named Laxmi Bohara, wife of Jasiram Bohara, resident of Kanchanpur District, Bhim Dutta municipality ward no 2, Ultakham and Mahesh Bohara, 21 year old son of Laxmi Bohara currently working in Delhi Guragaon. The incident took place on 30 March 2010

A detailed description of the circumstances of the incident narrated by Rosy goes as stated below

"The perpetrators were neighbors and I was well acquainted with them. Mahesh had a job in India and used to visit home sometimes. My father has gone for foreign employment in Malaysia. When I was left alone in my house, Laxmi frequently came to me and persuaded to go to India for a visit but I turned down all her proposals.

On 30 March, 2010, my mother had been to her mother's home and I was alone. Laxmi Bohara tempted me to go Banbasa, India where Mahesh was waiting for us. Mahesh gave me tea and biscuits en route. I was made unconscious. When I came back to senses, I was already at Delhi, as he told me later.

I requested him to send me back home but he threatened me with

dire consequences. He locked me up in a room and didn't let me contact at home.

On April 1, my mother reported my case to police and Maiti Nepal. I was rescued by Maiti India with the initiatives of Maiti Nepal. I was thus saved from being tortured and traumatized.

They had trafficked me to India. I strongly want them be punished under Human trafficking and Transportation Control Act 2007."

A case has been filed at district court by Maiti Nepal on behalf of the survivor demanding the perpetrators to be penalized severely.

YPP [Youth Partnership Project for Child Survivors and Youth at Risk of Commercial Sexual Exploitation] Youth from Makwanpur district organized **Orientation on HIV/AIDS and Human Trafficking** to 46 young girls through 2 different events in 2 Village Development Committees of Makwanpur district. The orientation focused on the preventive aspect of human trafficking by establishing linkages between increasing human trafficking and seriousness of HIV/AIDS in the district. The sessions were facilitated by a resource person from a local NGO and the staff member of the field office of Maiti Nepal.

A trained Peer Supporter represented the YPP Youth in **Domestic Child Labor Consultation** through the Consortium of organizations working for child participation in Nepal. Approximately 200 domestic child workers and 80 adults from 22 districts of Nepal had participated in the program. The consultation focused on developing children's recommendations to prevent the abuse and exploitation faced by domestic child labor. The children developed 15-point recommendations and handed them over to the Ministry of Education, Ministry of Labor and Transportation Management, and the members of Constitution Assembly.

Seven girls find solace in their homeland !!!

As Maiti Nepal observes its success of 17 years of crusade against human trafficking, it also celebrates repatriation of seven girls from horrendous situation in India – back to their homeland.

While six of the rescued women were lured, cheated on and trafficked into exploitative situation at the brothels in India, one of them was being trafficked to a gulf country via Mumbai – with fake documents. She was detained at Sahara International Airport, Mumbai, India. They are exuberant to be in their homeland – a safe haven!

They have been provided with psychosocial counseling and their legal prosecution has been initiated promptly. They were repatriated to Nepal with kind support from Maiti Nepal's close associates in Mumbai and New Delhi. They were brought to Kathmandu via Maiti Nepal, Bhairahwa.
